Branch Sort Code

Bank / Building Society Account No

Signature(s)

Date

Banks and Building Societies may not accept Direct Debit Instructions for some types of account

PLEASE DO NOT SEND THIS TO YOUR BANK

Gift Aid

Please help us more at NO extra cost to you, simply by ticking this box:

I wish the Hawk and Owl Trust (Registered Charity No 1058565) to reclaim the tax on any eligible present/future/past subscriptions and donations I have made, until I notify you otherwise. I confirm that I am a UK taxpayer.

To qualify for Gift Aid, you must have paid enough income tax or capital gains tax to cover the amount that all charities and CASCs you donate to will reclaim for that tax year.

Council Tax and VAT do not count. I understand the charity will currently reclaim 25p of tax on every £1 that I have given.

Full Name (Mr / Mrs / Ms / Miss / Dr) _____
 Address _____

Postcode _____
 Signature _____ Date _____

Remember to notify us if you no longer pay an amount of income tax or capital gains tax equal to the tax that charities/CASCs are reclaiming on your subscriptions and donations.

Please return this form to:
 Hawk and Owl Trust, Turf Moor Road, Sculthorpe, Norfolk NR21 9GN

Membership Category

Working for wild birds of prey and their habitats

Hawk and Owl Trust Friends of Sculthorpe Moor

Sculthorpe Moor Community Nature Reserve came into being in 2001 when the Hawk and Owl Trust leased 45 acres of land from the **Frances Berkham Trust** in order to protect the important fen habitat for many species but particularly the magnificent marsh harrier.

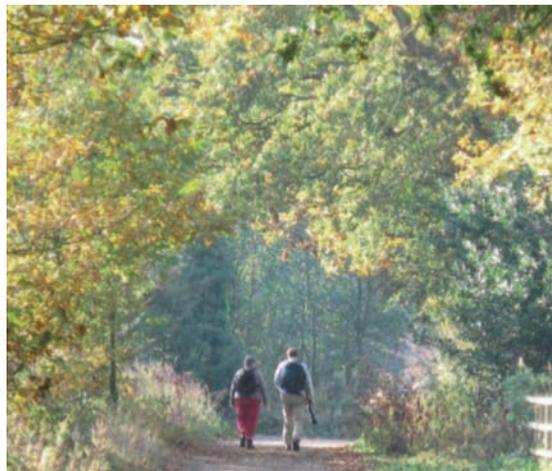

From the beginning, the team managing the reserve wanted to encourage people of all ages and from all walks of life to enjoy the reserve. While education, in its broadest, sense has always been a priority. A successful application to the **Heritage Lottery Fund** and **European Union-ERDF** enabled the Hawk and Owl Trust to provide the wonderful conservation, education and visitor facilities that now exist at the reserve.

We need your help to maintain those facilities and to support the vital conservation and education work carried out at Sculthorpe Moor. By becoming a **'Friend of Sculthorpe Moor' (FOSM)** your donation will help us to manage the habitats on the reserve for the fantastic diversity of plants and animals that make the moor their home. Above all, you will know that by becoming a 'Friend' you are helping to ensure that this hidden gem will be here for future generations of people and wildlife.

Join Sculthorpe Moor Today

Sculthorpe Moor

Sculthorpe Moor Community Nature Reserve is a peaceful place, with a rich variety of wildlife in its woodland, fen and reed bed habitats. Located in the beautiful Wensum Valley, the reserve is nationally and internationally recognised as important for its wildlife.

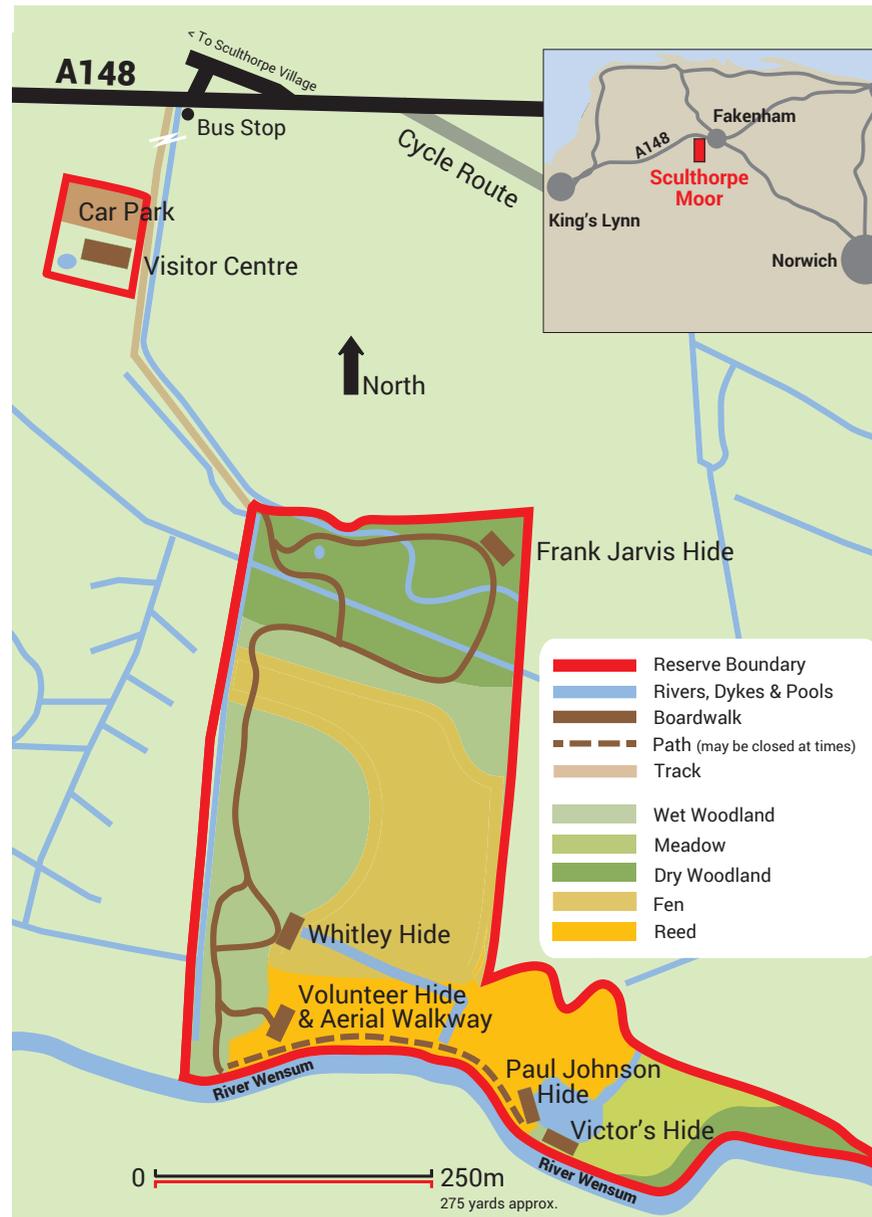

Created and managed by the Hawk and Owl Trust, the 18 hectare (45 acre) reserve provides everyone with a real opportunity to get involved with the natural environment. We particularly welcome families, wildlife watchers and educational groups, and it's a great place to come for a stroll.

Boardwalks make access easy for everyone and guide you through the reserve. Bird feeders and nest boxes are sited along the way and there are viewing platforms, places to sit and relax, and hides for watching the wildlife. The elevated Whitley Hide gives spectacular views over the fen and reed bed.

FACILITIES

In our Education and Visitor Centre there is a classroom for courses, school visits, work-shops and other events. We have an information area where you can also view footage from our wildlife camera system.

You can also enjoy a hot or cold drink and a piece of cake while browsing in our shop area. Toilet facilities are available at the Centre.

HOW TO FIND US: The reserve is a few miles inland from the North Norfolk coast, off the A148 King's Lynn to Fakenham road, just outside Fakenham town. Take Turf Moor Road, signposted 'Nature Reserve' on the A148, opposite Sculthorpe village. The X8 Fakenham to King's Lynn bus stops at the end of Turf Moor Road. The Sustrans no.1 cycle route from Harwich to Hull runs within 200 metres of the end of Turf Moor Road.

What to look out for

All the year:
Tawny and barn owls, kingfisher, buzzard, bullfinch, willow and marsh tits, great spotted woodpecker, treecreeper, water and bank voles, stoat and weasel.

Spring/summer:
Breeding marsh harrier, hobby, warblers and cuckoo in the reedbed, dragonflies and damselflies over pools and drains, butterflies, moths, glow worms, yellow flag iris, hemps-grimony and other flowering plants.

Autumn/winter:
Brambling, redpoll, water rail, siskin, goldfinch, scarlet elf cup fungus.

OPENING TIMES

April-October
Daily 8.00am-5.00pm
November-March
Daily 8.00am-4.00pm
